

**MINISTRY OF TRANSPORT AND
HIGHWAYS**
**Expression of Interest (EOI)
International Competitive Bidding**

Date:	19.05.2024
Title:	Request For Proposal (RFP) for the Procurement for Design, Build, Finance, Operate and Maintenance (DBFOM) the Main Railway Station Buildings in the City of Colombo as Commercial Centers
Deadline for Submission of Proposal:	15.07.2024, 14.00 hrs. (Sri Lanka Standard time)

The Ministry of Transport & Highways (the Employer) invites sealed proposals from eligible bidders for Design Build Finance and Operate (DBFO) the Main Railway Station Buildings in the City of Colombo as Commercial Centers a Public Private Partnership (PPP) arrangement. The contract will be initially for minimum thirty (30) years.

Project Overview

The identified complexes include railway stations located in at Kollupitiya, Bambalapitiya, Wellawatta, Dehiwala, Mount Lavinia & Slave Island all located in the heart of the commercial hub of the country, through which 10,000 passengers commute every day via 100 trains. Interested parties may also submit proposals for stations outside the identified six.

Developing these identified stations into modern commercial and community hubs is expected to increase the commuters' convenience and experience by augmenting the complex's amenities and transforming the urban community's quality of life.

Sri Lanka Railway and Ministry of Transport and Highways invite you to be a part of this landmark initiative in return for lucrative returns and a partnership that will bring about sustainable urban development to the Great City of Colombo.

Scope of the works

The scope encompasses a comprehensive range of activities and responsibilities aimed at successfully implementing the Public Private Partnership to Design, Build, Finance, Operate and Maintenance (DBFOM) the Main Railway Station Buildings in the City of Colombo as Commercial Centers, which includes but is not limited to:

- Design and Planning: The bidder should provide a conceptual design for the development.
 - Construction/Development: A brief method statement for construction activities
 - Operation and Maintenance: Describe the expected operational roles, including the management, maintenance, and routine operations of the project or services once they are up and running.
 - Financing: Outline the financial responsibilities, including investment requirements, funding models, or financial contributions expected from the private partner.
 - Compliance and Standards: bidders are expected to submit separate proposals for each station locations and the relevant project proposals should comply with the details of potential developments in each station land based on the existing and building regulations imposed by Urban Development Authority, other common and design guidelines given below.
- International Competitive Bidding** will be opened to all bidders as described in the Expression Of Interest document.
